| Secondary category | Cattle Hoof Care Equipment |

This cattle hoof-trimming tool is designed for hoof-care procedures in sheep farms, ranches and livestock farms. Its practical structure is intended for reliable day-to-day operation.

## Features

- Length: approx. 45cm.
- Length: 45cm.
- Material: metal.
- Anti-slip design improves stability during use.

## Advantages

- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.
- Suitable for regular use in commercial farm environments.

## Description

Suitable for hoof-care procedures for sheep. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
