

Cattle Anti-Kick Bar

A stainless steel cow with a kicker + two plugs.

Product code	205
Specification code	2051
Primary category	Cattle Farming Equipment
Secondary category	Dairy Farm Equipment

This cattle anti-kick bar is designed for routine use in cattle farms, ranches and livestock farms. It uses stainless steel construction or components suited to routine farm use.

Features

- Material: stainless steel.
- Configuration: +2 pcs.
- Adjustable settings allow the unit to suit different operating requirements.

Advantages

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Simple maintenance helps lower routine service requirements.

Description

Suitable for routine handling of cattle. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
