

Teat-Type Milking Machine

The milk-crowding piston double-cow.

Product code	021
Specification code	0213
Primary category	Cattle Farming Equipment
Secondary category	Dairy Farm Equipment

This milking machine is designed for routine use in livestock farms, ranches and livestock farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Material: stainless steel.
- Integrated wheels facilitate movement and repositioning.
- Purpose-built structure for routine use as a milking machine.
- Simple construction supports convenient installation, operation and maintenance.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for cleaning and sanitation work in livestock farms, ranches and livestock farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
