

Teat-Type Milking Machine

A milker can with a sheep.

Product code	021
Specification code	0214
Primary category	Cattle Farming Equipment
Secondary category	Dairy Farm Equipment

This milking machine is designed for routine use in sheep farms, livestock farms, ranches and livestock farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Material: stainless steel.
- Integrated wheels facilitate movement and repositioning.
- Transparent sections make the contents or operating status easier to observe.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for disinfection and hygiene management, cleaning and sanitation work for sheep. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
