

Teat-Type Milking Machine

A milk-crowd vacuum double-barrel machine.

Product code	021
Specification code	0216
Primary category	Cattle Farming Equipment
Secondary category	Dairy Farm Equipment

This milking machine is designed for routine use in livestock farms, ranches and livestock farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Material: stainless steel.
- Integrated wheels facilitate movement and repositioning.
- Transparent sections make the contents or operating status easier to observe.

Advantages

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Easy cleaning supports better hygiene management.

Description

Suitable for cleaning and sanitation work in livestock farms, ranches and livestock farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
