This milking machine is designed for routine use in livestock farms, ranches and livestock farms. Its practical structure is intended for reliable day-to-day operation.

## Features

- Purpose-built structure for routine use as a milking machine.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

## Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Simple maintenance helps lower routine service requirements.
- Stable construction supports reliable routine operation.

## Description

Suitable for cleaning and sanitation work in livestock farms, ranches and livestock farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
