

Cattle Nose Pliers

Medium bull's nose rings installed.

Product code	271
Specification code	04926
Primary category	Cattle Farming Equipment
Secondary category	Cattle Restraint and Handling Equipment

This cattle nose pliers is designed for routine use in cattle farms, ranches and livestock farms. It uses nylon construction or components suited to routine farm use.

Features

- Material: metal.
- Purpose-built structure for routine use as a cattle nose pliers.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Improves day-to-day operating efficiency.
- Easy cleaning supports better hygiene management.
- Simple maintenance helps lower routine service requirements.

Description

Suitable for routine handling of cattle. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use.
