

Cattle Manure Briquette Mold Press

Cow dung bee nest coal emulator blocker - zinc plating 12 perforate 140 mm high 95 mm

Product code	392
Specification code	3922
Primary category	Cattle Farming Equipment
Secondary category	Cattle Farm Tools

This cattle-manure briquette press mold is designed for routine use in livestock farms, ranches and livestock farms.

Features

- Product type: cattle-manure briquette press mold.
- Material: galvanized.
- Material: galvanized finish.
- Manual design allows straightforward operation without complex controls.

Advantages

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Flexible operation makes the product easier to use in different farm areas.
- Helps reduce contamination risk during routine use.

Description

Suitable for routine handling of cattle. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
