

Cattle Manure Briquette Mold Press

Cow manure cell coal-molecular inner diameter 150 + 12 + 90

Product code	392
Specification code	5981
Primary category	Cattle Farming Equipment
Secondary category	Cattle Farm Tools

This cattle-manure briquette press mold is designed for routine use in livestock farms, ranches and livestock farms.

Features

- Product type: cattle-manure briquette press mold.
- Material: metal.
- Manual design allows straightforward operation without complex controls.

Advantages

- Improves day-to-day operating efficiency.
- Easy cleaning supports better hygiene management.
- Simple maintenance helps lower routine service requirements.

Description

Suitable for routine use in livestock farms, ranches and livestock farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
