

Cattle Nose Peg

Black nylon nostrils.

Product code	673
Specification code	7741
Primary category	Cattle Farming Equipment
Secondary category	Cattle Restraint and Handling Equipment

This cattle nose restraint is designed for animal restraint and handling in cattle farms, ranches and livestock farms. It uses nylon construction or components suited to routine farm use.

Features

- Material: nylon.
- Purpose-built structure for routine use as a cattle nose restraint.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for animal restraint and handling for cattle. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
