

Anti-Butting Device

Mid-top one pair with a card.

Product code	831
Specification code	12012
Primary category	Cattle Farming Equipment
Secondary category	Cattle Farm Tools

This cattle anti-butting device is designed for routine use in cattle farms, livestock farms, ranches and livestock farms.

Features

- Length: 17cm.
- Width: 5cm.
- Material: metal.

Advantages

- Flexible operation makes the product easier to use in different farm areas.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.
- Suitable for regular use in commercial farm environments.

Description

Suitable for routine use in cattle farms, ranches and livestock farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
