Contenido en inglés

Código de producto	193
Código de especificación	1936
Categoría principal	Equipos para ganadería bovina
Subcategoría	Herramientas para Granjas de Ganado

10 km ZF22(K) alert + 100 watt solar panels is designed for reliable, efficient use in livestock farms and agricultural projects.

Características

- Practical, durable construction for routine livestock-farm use.
- Configuration supports straightforward operation, cleaning and maintenance.
- Suitable for common farm workflows and equipment layouts.
- Specifications can be configured according to the selected model and project requirements. Key source specifications: 100W.

Ventajas

Helps improve operating efficiency, reduce manual workload and support consistent farm management. Its practical construction is easy to use and maintain, making it suitable for commercial farms, distributors and agricultural projects.

Descripción

Suitable for livestock farms and agricultural projects. Before use, confirm the selected model, installation conditions and operating requirements. Inspect and clean the product regularly and follow the supplied specifications for model-specific parameters.
